DECLARATION OF KENNETH EADE

I, KENNETH EADE, hereby declare as follows:

1. I am an attorney at law, duly licensed to practice before this Court, and, if called upon as a witness, could competently testify as to the following facts, within my personal knowledge.

2. My only asset is an apartment in Beausoleil, France, half of which was awarded to me in my dissolution of marriage judgment in California. The judgment is currently in enforcement proceedings in the Tribunal of Nice, France, which has jurisdiction over the property and I expect a trial date will be set at the next hearing, which is scheduled for September 27, 2012. My ex-wife has refused to cooperate in selling the property since the dissolution decree in December 2009 and, as a result, the Court has ordered her out of possession. Attached hereto and incorporated by reference herein as Exhibit 1 is a true copy of the order.

3. My 2002 Maserati Cambriocorsa has a lien on it to Capital One Auto Finance in the principal amount of approximately \$30,000. The loan to Capital One has not been paid since 2008 and Capital One did not respond to my offers to redeem the car in my personal bankruptcy in 2008. It is ten years old and has over 45,000 miles. There is no Kelly Blue Book value on a Maserati but my opinion of its value based on Internet classified ads is approximately \$20,000. I am the registered owner of the Maserati and have produced the registration to the Defendant, a true copy of which is attached hereto and incorporated by reference as Exhibit 2.

4. My current wife, Valentina Eade, holds 6,486,900 shares of Independent Film Development Corporation. I hold approximately 680,000 shares. Because of my affiliate status, I can only sell approximately 250,000 shares of this stock every quarter. The stock trades lower than a penny per share, and, at current market prices of \$0.0075 per share, that would gross approximately \$1875 per quarter. Attached hereto and incorporated by reference herein as Exhibit 3 is a true copy of the OTC Markets statistics

1 on the stock, which shows the \$0.0075 share price and that the average monthly trading
2 volume is 179,525 shares.

3 5. On July 23, 2012, the Los Angeles Superior Court terminated my spousal
4 support obligations, with the understanding that I am still to pay for the monthly
5 mortgage payments of 1500 euros, which is approximately \$2,000 per month.

6 6. With regard to the judgment which the Defendant referred to in the case of
7 Independent Film Development Corporation v. Arriva Capital, the Court awarded me an
8 unexecuted judgment of \$125,000 and the return of 3 million shares of Independent Film
9 Development Corporation on July 30, 2012, a true copy of which is attached hereto and
10 incorporated by reference as Exhibit 4. I do not believe the money judgment is
11 collectible, and the transfer agent has not yet issued me the 3 million shares, which are
12 valued at approximately \$22,500, and which could theoretically be sold by me over a
13 period of 48 months at the rate of 250,000 shares per quarter, if there was a market in the
14 stock, which appears to be declining and thinly traded.

15 7. Since I have no liquidity, and the only liquidity event I see at this time is to
16 sell my French property, the very best I can do is to pay the judgment from the sale of my
17 property in France.

18 I declare under penalty of perjury under the laws of the United States of America
19 that all of the foregoing is true and correct this 20th day of September 2012.
